INTRODUCTION

Literary society of KGMC is a society of students of KGMC to encourage & inculcate literary pursuits in them, working under the guidance of its chairman. The society strives to take students to exciting literary events and programs. The Society hosts a range of social events /get-togethers at literary themed value in four languages, Pashto, Urdu, English and Hindko. In these events and programs, distinguished literary figures are also invited. The society publishes, HAVI a student magazine annually in the four languages. Substantial amount of work of HAVI is from students. Literary Secretary, a student is incharge of all activities of the society and is the editor-in-chief of HAVI.

AIMS AND OBJECTIONS

Study of medicine is tough and usually a medical student passes a stressful life. Co-curricular activities like literary ones bring diversity in the life of a medical student and help them to be fit mentally and socially. Being a students centered society, all its objectives are aimed at grooming of students of KGMC to

- Provide a forum to those students of KGMC who have love for literature.
- Develop self-efficacy and confidence among students.
- Help them in channelizing their potentials in the right direction & to help them better understand their capabilities.
- Develop organization skills and persuasive skills.
- Build confidence in students to be at ease not only professionally but also socially.
- Help students how to express themselves in a better way.
- Give opportunities to participate in writing both, prose & poetry & to exhibit their talent in the field of art & drama.
- The ultimate goal of this society is to help its members in producing their own literary works and to help them publish their work in the college magazine 'HAVI'.

SECTIONS OF LSKGMC

The society has the following sections

1. Pashto
2. Urdu
3. English
4. Hindko
5. Medical

HAVI

The Society brings out HAVI, a quadrilingual students' magazine annually that represents the creative cognition of students in the college. LSKGMC concentrates on many kinds of works of literature from poetry, prose, art, stage and drama in four languages by arranging literary events and get-together and publish it in the magazine, HAVI. The first issue appeared in 2008-9, just a few years of inception of KGMC and has been the true reflection of the intellectual and literary capabilities of the kgmcites. The Magazine comprises of four major sections, in each of the four languages spoken and understood in this part of the world. Apart from Pashto, English, Urdu & Hindko sections, Medical section is there to appreciate recent advances in medical research, brings about special case histories for the students and articles on important medical topics. Each sections his own Chief Editor with a dedicated team of editors to organize the respective section. In addition, Activities section is also a part of the literary Society and HAVI Magazine. It helps in arranging stage and other literary activities. This section highlights various aspect of health of importance to public through their activities. Members of the literary Society are the Ambassadors of Khyber Girls Medical College. They strive hard in excelling and making name of its Alma mater amongst the sister colleges. The college magazine reflects the students' literary talents in Pashto, Urdu, English, and Hindko languages in various genres-poetry, fiction, humorous essays, travelogue and informative essays. The students are invited to pen down their ideas about whatever they think of interest.

ACTIVITIES – Celebrating various literary days

Various literary days are celebrated in the college. In these activities students enjoy poetry, prose, drama & cultural exhibition. All these activities are endogenously produced, directed & performed by the students themselves.

BUDGET

The finances for all the activities & publication of HAVI are provided by Principal/Dean of the college from the students funds.
