

## **Khyber Girls Medical College Peshawar**

### Evacuation Plan:

1. When the fire emergency is declared, LEAVE AT ONCE.
2. If possible, avoid using corridors that are full of smoke or has less visibility
3. Close doors behind you and Proceed into the fire exit.
4. DO NOT try to manhandle the fire. Instead, try moving to a safer location.
5. DO NOT USE ELEVATORS. They will stop if power fails, causing occupants to become trapped.
6. Approach the nearest assembly area.
7. Do not leave the assembly area until all clear has been given.
8. If you become trapped in your office or laboratory and cannot reach the fire exit, keep the door closed and seal off any cracks. Use the phone to call for help.
9. DO NOT touch any electrical wire with bare hands.
10. If caught in smoke or heat, stay low where the air is better. Take short breaths through your nose until you reach the fire exit.
